## Champion Liniment for Rheumatism.

Chas. Drake, a mail carrier at Chap Inville, Conn., says: "Chamberlain's Pain Balm is the Chamion of Liniments. The past year I was troubled a great deal with rheumatism in my shoulder. After trying several cures the storekeeper here recommended this remedy and it completely cured me." There is no use of anyone suffering from that painful ailment when this liniment can be obtained for a small sum. One application gives relief and its continued use for a short time will produce a permanent cure. For sale by all dealers.

A fine audience and good interest characterized the meeting at the Christian church last night, Miss Eva Nelson sang, "My Mother's Prayer," in a manner which brought tears to many eyes and prepared the congregation for Elder Hill's sermon. Tonight the subject will be, "Imperfect and Perfect Character." Mr. Harless will sing. A warm welcome awaits everybody.

Roswell, it will give direct connection with Kansas City from all parts of the Pecos Valley.

## BIG EXCURSION TO PANHANDLE

Ten of the Twelve Coaches Stop Before Reaching this Portion of The Valley.

The excursion train from the north arrived at eleven o'clock last night. There were but two coaches in the train by the time it reached Roswell, although there had been a dozen when it left Amarillo. The other ten stopped at places in the Panhandle and in the upper part of New Mexico. Of those who came in, the DeFreest Land Company had 60 people, the Lake Arthur Land Company had 32 and the Pecos Valley Immigration Co. had 25. The Tallmadge people had no organized crowd, and does not expect to bring in any until May, but about fifteen prospectors came in, sent by their agents.

LATER:—Since the above was written it has been learned that there were two sections of the excursion train into Roswell the second one bringing several coaches. Thus the Panhandle soon gave up its land seekers to the Pecos Valley.

The subject of Col. French's lecture at the South Methodist church will be, "The Twentieth Century Wonder." As a lecturer he has been called by many outside the ranks of the Army as a "peer among lecturers." A treat is in store. Tickets 25 cents. 1917

A Chicago Alderman Owes his Election to Chamberlain's Cough Remedy.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs" says Hon. John Shenick, 220 Eo. Peoria St. Chicago. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by all dealers.
